

Dear teams,

We have received some questions regarding the Poomsae competition which require clarifications, please see the Q&A below.

**Do the red belts compete in Nordic Championships or Dala Nordic Open?**

Athletes who have 4 gup and above (i.e. all red belts and black belts) will compete in the Nordic Championships according to the WT rules. Only beginners are allowed to compete in Dala Nordic Open. We have been informed that there are different categories in TPSS and we will make sure to correct this by merging the red belts with the black belts.

**Is the fee 50 EUR for each athlete in pair and team?**

No. The fee for each *category* is 50 EUR (not for each athlete). Accordingly, a pair or team pay only 50 EUR.

**Are miniors allowed to compete in Nordic Championships?**

No. We will follow the WT Rules for the Nordic Championships. However, minor beginners may compete in Dala Nordic Open.

Please do not hesitate to contact us at [nordic2022@svenskataekwoundunionen.se](mailto:nordic2022@svenskataekwoundunionen.se) if you have any questions.

Best regards,

OC
