COVID 19 PROTOCOL

Introduction

The purpose of this Code of Conduct during COVID-19 to prevent the spread of coronavirus (hereinafter “the Code”) is to provide the organizing team and all participants with an overview of health and safety aspects, and the requirements for organizing the 9th Turkish Open Poomsae, 1-day taekwondo competition held indoors in a situation of pandemic threat of COVID-19 disease.

The organizer of the competition; Turkish Taekwondo Federation acts in accordance with local laws and regulations, as well as follows the recommendations of government public health services to reduce the risk to a minimum. Continuous risk assessments, and monitoring of the situation and its changes at the national, and especially at the local level, will ensure valid compliance with the recommended and mandatory health and safety regulations and measures.

The organizer of the competition has taken a clear position and has a policy of personal responsibility. This position takes into account the legal aspects related to the organization of the competition during the pandemic and is made public to athletes, representatives and professional accompaniment of competitors and all those involved in the organization.

The document was prepared according to the instructions and harmonized with the local and national prescribed measures for public gatherings.

Travel to Turkey

Within the scope of the measures taken against the coronavirus (COVID-19) pandemic, the following decisions regarding entry to the country have been taken by the authorities of the Republic of Turkey, to be effective from November 27, 2021:

1) Flights from South Africa, Botswana, Mozambique, Namibia and Zimbabwe are suspended until further notice. Passengers who have been to these countries in the past 14 days and planning to enter Turkey from another country are allowed to board the flight if they can submit a PCR test with a negative result taken within maximum 72 hours before arrival in Turkey. These passengers shall be taken under quarantine for a period of 14 days in places to be determined by the governorships. If the result of the PCR test to be taken at the end of the 10th day of the quarantine is negative, the quarantine measure shall be ended. Passengers who do not have a PCR test on the 10th day of the quarantine shall stay in quarantine for 14 days and if the PCR test to be taken at the end of the 14th day of the test is positive, the current pandemic guide published by the General Directorate of Public Health of the Ministry of Health will be followed. Accommodation and transfer costs shall be covered by the passengers. Passengers to enter the quarantine are required to pay the accommodation fee of the hotel before their travels. In the case that our passengers fail to submit the document proof that they have made the payment of accommodation to our authorities at their first departure point, they shall not be admitted to board our flights as stipulated by the rules of the relevant authority.

9th TURKISH OPEN DOOMSAE

Roles and RULES

In order to avoid or reduce interactions between persons, the number of those who can attend the event is limited to only those necessary for the functioning of the hall, the event and the competition itself.

All associates are required to adhere to measures and recommendations to prevent the transmission of coronavirus infection.

Wearing a protective mask in such a way that it covers both the mouth and the nose is mandatory for all associates regardless of their place of action. Masks are worn in the official hotel of the competition, during the use of the transport service and during the stay in the hall, all the time and without exception, except in the case of competitors, during the competition (during fights).

If there is a need to replace gloves or a protective mask, used gloves and masks are thrown in specially designed baskets. Associates operating in the hall are obliged to adhere to the specified corridors of movement, and **ALL COMPETITORS and COACHES must leave the hall IMMEDIATELY after the fight.**

The organizer will keep a register that includes contacts of competitors and members of their entourage, officials and professionals, which will facilitate the identification and monitoring of further contacts of potentially infected persons. The keeping of the register will be in accordance with local legislation and regulations, and in accordance with the protection of personal data. **By accepting the work, volunteering or registering, all participants undertake to give a statement and accept the conditions prescribed by the organizer.**

This rulebook is designed for and binds all participants in the organization who accept the stated instructions by taking over the official accreditation.

Participants/implementation/audience

In order to facilitate the use of this document, the organizer divided all participants in the organization into groups related to movement within the competition zone (hall) and participants outside the competition zone.

- Competition zone (hall)
- Competitors / participants
- Referees / delegates / organizers / technical service
- Medical procedures / Warming places
- TV broadcast of the competition
- Anti-doping control
- Volunteers

9 th TURKISH OPEN DOOMSAE

Other participants in the organization who are outside the competition zone of movement (in front of the hall and hotel space)

- Employees
- Transport service / official drivers
- Physiotherapists / masseurs / medical service
- Media representatives
- Security service
- Logistics / goods acceptance / accreditation service
- Serving food
- Official accommodation

Wearing a protective mask is mandatory at all times, except in the following situations:

- During a meal at the hotel, during the warm-up and during the fights.

Weigh in

Weigh in will take place at the hotel in the designated rooms, and each team will receive a weigh in schedule to avoid unnecessary gatherings. The schedule will be published on the official website of the competition. <https://www.turkiyetaekwondofed.gov.tr/>

All participants who attend the official weigh-in are required to disinfect their hands and wear a protective mask before entering the room. The same goes for the official staff during weigh-in (referees).

Accreditation

The space for accreditation and registration will be available for those who make reservation in designated desk in front of the accreditation room.

Accommodation

Rooms in official hotel will be provided for all competitors, and people who train together or are members of the same family will be accommodated together in the room. Each competitor who must stay in an official hotel at least one day before the competition, this is mandatory.

The service will be conducted in accordance with local guidelines for the purpose of preventing the spread of virus infection.

Competitors will stay during the competition in their rooms and watch the competition on YouTube, social networks or dedicated channels. When the category of each individual competitor starts, the competitors go to the warm-up area accompanied by the coach (before entering, their temperature is measured), which they can enter 25 minutes before their fight. After warming up, the competitor and the coach enter the disinfection room where they get electronic equipment and go through the disinfection zone.

No close contact is allowed in the hall after the competition, and this refers to shaking hands, hugging or kissing for the purpose of celebrating the results of the performance.

The medal ceremony will take place IMMEDIATELY after the end of the final fights of certain categories. All fights will take place according to a predetermined schedule.

9 th TURKISH OPEN DOOMSAE

Person who will give awards and medals as well as award winners (athletes) are required to use masks during the ceremony. The ceremony will take place without a handshake, and the person presenting the awards must also wear gloves.

Leaving the hotel during your stay in Istanbul is not recommended and in any case, a rapid PCR test will be implemented to enter the hotel again. It will cost again 30,00 Euro

Referees / delegates / organizers / technical service

After each category, the tatami mat should be wiped and sprayed with disinfectant.

Equipment (helmet and body protector) should also be sprayed with disinfectant after the fight, and the same cannot be used for the next 2 fights.

Persons in charge of collecting, transporting and returning the equipment should clean their hands with disinfectant or use disposable gloves and throw them away after handling the equipment.

Medical procedures / Warming places

Every person must be considered potentially contagious; therefore, athletes and medical staff are required to wear protective equipment at all times. A handwashing and disinfection protocol will be implemented upon entering and exiting these rooms and between each intervention by the medical staff.

Asking for autographs or taking photos with athletes is not allowed.

Transport service / official drivers

Accredited persons will be transported from the airport directly to the hotel by car or bus where all passengers and drivers will wear face masks and sit in compliance with the physical distance rule prescribed by the local authority with a recommendation of 1.5 to 2 meters.

Audience

Audiences will not be possible during the competition.
