### Merging categories:

In the case of the EP it is not possible to merge categories A and B. Only if a single competitor is entered in the category B, he is allowed to start in category A (under conditions of category A). In the case of NLP, each technical category, which will be entered by less than two competitors, will be merged with a category of higher or lower technical grades, which will be resolved by the organizer. A merged category will be designated as a higher technical category if at least half of the competitors in that (higher) category are present. Otherwise, it will be designated as a lower technical category. When joining categories, a competitor will be counted for the points he achieves in the combined category.

Double starts in different age categories (juniors / seniors) within one tournament are not allowed.

## **TERMS OF PARTICIPATION POOMSAE**

Each participant of the competition has to be a member of national taekwondo federation under the European taekwondo union (ETU) or the World taekwondo federation (WT).

### **COMPETITION SYSTEM:**

The competition conforms the cut-off system with basic, semi-final and final round included. In each round the competitor has to perform only one poomsae. To the semi-final round will advance a half of all competitors in the category with better score. In each of these rounds, the competitor shows only one poomsae, with the exception of the final, where he will always show 2 poomsae. In case that the category contains less than 20 competitors, only semi-final and final round will be included.
