### 14. IMPORTANT NOTES

To improve the image of the ceremony, the Technical Commission has decided that for the awarding of medals the athletes wear dobok or tracksuit on the podium.

The Executive Committee of the WT and the General Assembly of the RFET agreed that in the championships the gesticulations, applause and ostensible gestures of the coaches during the fights will be sanctioned in accordance with the International Rules of Arbitration, recalling that the sanctions provided may reach the disqualification of the athlete and the coach.

The acts incite violence and disorder both among the public and among the participants, which goes against the Royal Decree on violence in sport and the Sports Disciplinary Regulations, in addition to the deplorable spectacle that is so detrimental to Taekwondo that they give violators of these rules.
